Please continue to report crime - and incidents - through to our control room on 101, or 999 as appropriate. Even in these most difficult of times, where possible, reported crimes will be dealt with in the same way as they have always been recorded, and dealt with. Please remain aware of any suspicious persons, vehicles and activity in the area and continue to report such instances through to our control room, as normal. From time to time, I am advised about incidents and crimes being

shared on social media, which I was not aware of. Might I ask that incidents and crimes of this nature are reported through to our control room, for Police action and recording purposes, in the first instance and then, obviously, share your experiences with whom you desire by other methods?

As from February 2020, the Police report has included anti-social behaviour incidents only, negating other incident types from this category, such as hoax calls to the emergency services, found/ abandoned vehicles and wildlife/ animal issues. This month there have been two reported incidents of anti-social behaviour across the whole beat area. This compares with no reported incidents for October 2021 and three reported for the same month in 2020.

The Christmas tree lights were switched on at Retford recently and most neighbouring parishes will already have completed the same, or will be doing so soon. I look forward to seeing more of you at other planned events and engagements.

My Police reports, at times, must read quite repetitive. However, as has been said many times before, crime trends are very repetitive too. At this time of the year, there is usually a noticeable fall in burglary other type offences as criminals find it harder to sell on items stolen from sheds and out buildings. Nottinghamshire Police do usually see an increase in burglary dwelling and thefts of motor vehicle crimes at this time of the year.

Christmas is a special time of the year. It is a time for giving.....but sadly for taking too.

Below are some tips and advice for you whilst you are out and about shopping, socialising or at home over the festive season. Avid readers of my report will notice that the same advice was given at this time of the year, last year. I make no apologies in repeating the same advice again this year.

When you are out shopping.

- Keep valuables in inside pockets of clothing or bags.
- Only carry the cash and cards which you need. Always shield the PIN pad when entering your PIN.
- Park in an open, well lit area. Visit www.parkmark.co.uk to find accredited car parks.
- Avoid going back to your car to leave your shopping part way through your trip. If you have to keep presents in the car, make sure they are out of view in the boot, the car is locked and keep the receipts with you.
- Never leave your bag unattended on your trolley whilst shopping and don't leave it in your vehicle when returning your trolley.

At cash machines.

- If you see anything suspicious alert the bank or call the Police on 101.
- Shield the keypad when typing in your PIN at a cash machine or in a shop.

- Only withdraw as much cash as you need and avoid carrying large amounts of cash. Put your money and cards away (not in your back pocket) safely before leaving the machine.

When you are out for the evening.

- Never leave your valuables unattended.
- Make sure someone knows where you are going and when you'll be home.
- Avoid walking home alone and never with someone you don't know well.
- Check your taxi drivers ID and never get into an unlicensed taxi.

At home.

- Don't leave presents under your Christmas tree if they are visible from windows and doors.
- Never keep large amounts of cash at home. Check you have adequate insurance for your belongings.
- Make sure you keep your doors and windows locked at all times.
- Keys should always be kept out of sight and not left in doors or in view of windows.
- Make your house look occupied, use timer switches to operate lamps as it starts to get dark, leave a radio on.
- Don't open the door to anybody you don't recognise. Not sure?? Don't open the door!!

At this time of the year, in particular, there never seems to be enough hours in the day. Please remain security conscious over the Christmas period – remember criminals are with us all the year round, they do not take a break for Christmas.

My contact number is 07525 226838 and my E mail address is david.airey@nottinghamshire.pnn.police.uk PC 2895 James Pickersgill is the beat manager for the area. He has a contact number of 07525 226479 and an E mail address of james.pickersgill@nottinghamshire.pnn.police.uk

Please do not use these telephone numbers to report incidents and/ or crimes. Works numbers should only be used for non-urgent matters – including seeking advice and/ or information.

I continue to receive calls on my works phone from residents wishing to report incidents and crimes. In many cases these calls are received when I am on rest days or annual leave and have not got my works phone to hand. Residents must be comfortable in reporting these occurrences to our control room on 101, or 999 as appropriate, in order to receive the best, and real time, service from those officers who are on duty.

As this is the last Police report I send out before the Festive season, may I take this opportunity to thank you all for your valued interest and support in the last year, wish you all a Merry Christmas and New Year.

PCSO 8139 Dave Airey.
